Budapest is safe, but do not walk alone in the dark!

Especially if you had drinks, especially ladies

Always lock the doors of your apartment – even if you are inside.

Do not leave your stuff on the corridors!

Use common sense when making friends on the street

**DO NOT LEAVE YOUR DRINKS
UNATTENDED**

Always let us know where you travel, when you are expected back!

Smart Traveler Enrollment Program (STEP)

Last Updated on 11/17/2010

To better serve U.S. citizens in Hungary, ACS regularly updates its Warden system. The Warden system is designed to ensure that U.S. citizens receive timely information about natural disasters, civil emergencies or anything else that could affect their safety while in Hungary.

The Warden system for Hungary has been broken down into smaller units, according to districts, counties and/or by organizations. We would like to enroll every U.S. citizen in each of these regions and to identify U.S. citizen Wardens who would assist the Embassy to inform other U.S. citizens in their area of fast-breaking news. In general, Warden duties are not time-consuming, but could be vital in times of emergency.

U.S. citizens around the world who travel or reside abroad can access a newly launched Department of State web site for enrolling their foreign
